

Marion Electricity Aggregation Program Update

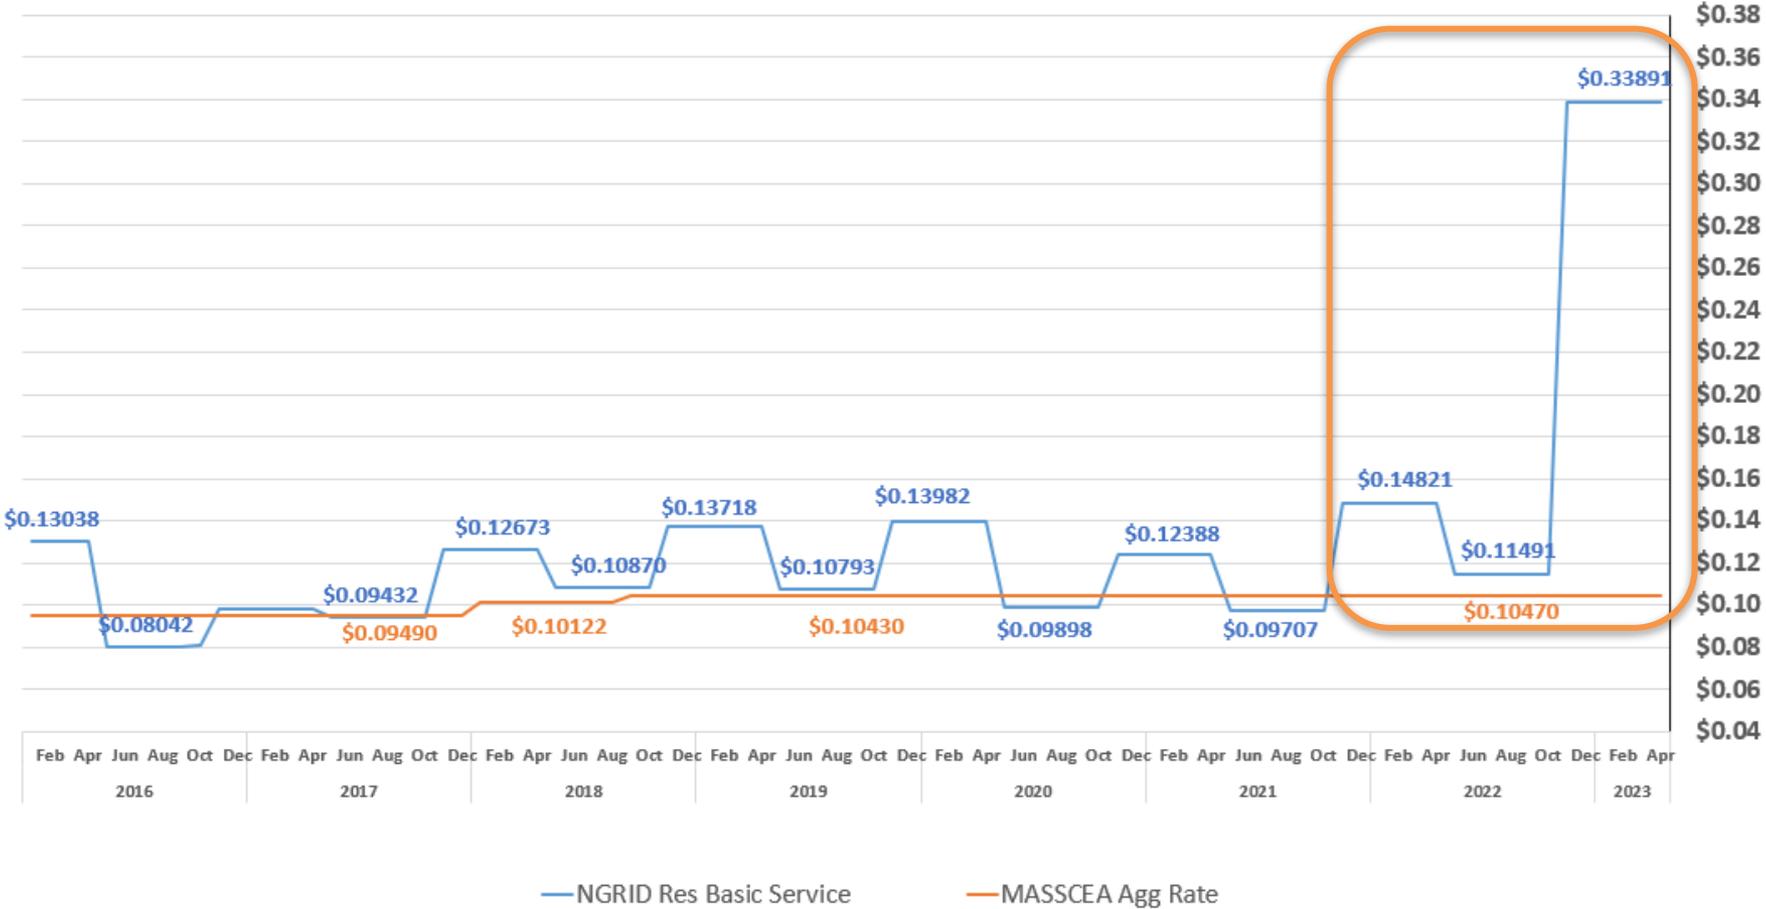

April 3, 2023

Program Summary

- Program initially launched in Jan 2016
 - Initial contract term: Jan '16 – Dec '18
 - 2nd Contract term: Dec '18 – Jan '21
- Current Contract Details:
 - Term: Jan '21-Dec '23
 - Supplier: Constellation
 - Rate : \$0.10470/kWh
- Savings Since Launch through Feb '23:
 - Residential: \$2,368,164
 - Small C&I: \$334,315
 - Large C&I: \$88,404
 - **Total Savings: \$2,790,883**

There is no guarantee of savings under the aggregation program as compared to the Eversource Basic Service rates because the Eversource electric supply charge changes every 6 months for residential and small business customers and every 3 months for large business customers

Comparing National Grid Residential Basic Service rate to MASSCEA Aggregation Rate

There is no guarantee of savings under the aggregation program as compared to the Eversource Basic Service rates because the Eversource electric supply charge changes every 6 months for residential and small business customers and every 3 months for large business customers

Program Options

Community Aggregation Program Rates

	Standard Product	Green 50%	Green 100%
Rate	\$0.10470/kWh	\$0.12244/kWh	\$0.14019/kWh
Renewable Energy Certificates (RECs)	Meets all Renewable Energy Certificate requirements	Includes 50% more Renewable Energy Certificates (MA Class I RECs), than required by the Commonwealth	Includes Renewable Energy Certificates (MA Class I RECs) equal to 100% of the user's electricity consumption, in addition to meeting all renewable energy requirements

Eversource Rates

Eversource Basic Service Supply Services only	Residential	Commercial	Industrial
Rate	25.776 ¢/kWh	26.049¢ /kWh	39.834 ¢/kWh NEMA 40.263 ¢/kWh SEMA 44.019 ¢/kWh WCMA
Renewable Energy Certificates (RECs)	Meets all Renewable Energy Certificate requirements	Meets all Renewable Energy Certificate requirements	Meets all Renewable Energy Certificate requirements

There is no guarantee of savings under the aggregation program as compared to the Eversource Basic Service rates because the Eversource electric supply charge changes every 6 months for residential and small business customers and every 3 months for large business customers

Sample Savings

- Based on the average homeowner using 600 kwh/per month
- The calculator below is on the program website ([MASSCEA.COM/MARION](https://www.masscea.com/marion))

Enter Monthly kWh: <input type="text" value="600"/>		
Options	Rate	Monthly Supply Cost
Default Minimum Renewable Energy Content Required by MA Law	\$0.10470	\$62.82
LOCAL GREEN 50 50% More Local Renewable Energy than Required by MA Law	\$0.12244	\$73.46
LOCAL GREEN 100 100% Local Renewable Energy	\$0.14019	\$84.11
Eversource Winter Rates January – June 2023		
RESIDENTIAL	\$0.25776	\$154.66
COMMERCIAL	\$0.26049	\$156.29
INDUSTRIAL(NEMA)	\$0.39834	\$239.00
INDUSTRIAL(SEMA)	\$0.40263	\$241.58

There is no guarantee of savings under the aggregation program as compared to the Eversource Basic Service rates because the Eversource electric supply charge changes every 6 months for residential and small business customers and every 3 months for large business customers

For More Information

- Visit [MASSCEA.COM/MARION](https://masscea.com/marion)

- To contact the supplier, Constellation:

- Call: 833-461-0813
- Email: vst@constellation.com

Marion Community Electricity Aggregation (CEA)

Marion CEA is a program offered by the town of Marion to provide new electricity supply options and more renewable energy.

- To Contact Good Energy:

- Call: (844) MASSCEA (627-7232)
- Email: support_ma@goodenergy.com

Looking Forward

- Plan is to renew contract in early Spring 2023
- Current participants will automatically be switched to the new contract in December and do NOT need to any take action
- A letter will be mailed to all participants in late October and will contain details of the new rate and contract term
- For more information:
