

## FOR IMMEDIATE RELEASE

### Marion Community Electricity Aggregation Renewed until November 2028

*Marion, MA – (September 25, 2025):* The Town of Marion announces the renewal of its Marion Community Electricity Aggregation (CEA) program, with new prices for the period November 2025 until November 2028. Marion CEA is a group purchasing program, operated by the Town since 2016, which provides electricity supply options to help residents and businesses manage costs and increase renewable energy use.

The Town is excited that it has secured lower prices for all supply options! Current participants do not need to take any action to remain in the Marion CEA program and receive the new pricing.

**All new Marion CEA prices will be fixed for 36 months, beginning November 2025 until November 2028. The Marion CEA program will be served by our supplier, Constellation:**

Marion Standard	Marion Plus
<p>Old Price: 15.784¢/kWh</p> <p><b>New price: 14.346 ¢/kWh</b></p> <p>No additional renewable energy (63% in 2025)</p>	<p>Old Price: 17.372¢/kWh</p> <p><b>New Price: 15.475 ¢/kWh</b></p> <p>Adds renewable energy to total 100% (100% in 2025)</p>
<p>Our lowest priced option.</p>	<p>Go above and beyond! Put more renewables onto the grid than you consume.</p>

Learn more about our options at [MassCEA.com/Marion](https://MassCEA.com/Marion).

The majority of accounts in Town use the Marion Standard option. **You may switch to another Marion CEA option at any time. To switch options, call our program’s electricity supplier, Constellation, at (833) 461-0813, or submit a request at [MassCEA.com/Marion](https://MassCEA.com/Marion).**

No action is necessary to receive the new pricing for your current Marion supply option. To check what Marion CEA supply option you currently use, you can review the Supply section of your Eversource electricity bill. If you participate in the program, your current supply rate will appear as one of the “Old Prices” of products listed in the table above.

New prices take effect on your November 2025 meter read. The first bill to show the new Marion CEA pricing will be the bill you receive showing usage from your November 2025 meter read to December 2025 meter read. Most customers can expect to receive this bill in December 2025.

The Town’s program launched in 2016, providing multiple contract terms of price stability. Most participants use the Marion Standard product, which has saved participants a total of \$3,800,000, or about \$1,890 for the typical residential customer since launch.

As a reminder, Marion CEA prices only apply to the Supply portion of your electric bill and take effect on your meter read date. Eversource will continue to set the charges on the Delivery on your electric bill and will repair outages and manage all billing. Marion CEA has no impact on any solar benefits, low-income discounts, or budget billing plans.

If you are not currently participating in Marion CEA, you can join any time. To join, submit a request at [MassCEA.com/Marion](https://MassCEA.com/Marion).

Marion CEA participants may leave the Program at any time, without penalty and return to Basic Service supply with Eversource. To leave the Program, call Eversource at (800) 592-2000, or submit a request at [MassCEA.com/Marion](https://MassCEA.com/Marion).
