

Commend a Marion Police Officer

The Marion Police Department is proud of our Officers, Emergency Communication Staff and the integrity of our services. The nature of law enforcement is such that many commendable acts go unnoticed. If you would like to recognize an employee (or the department) who has performed his/her duties in a manner that you think is exceptional and reflects favorably upon the employee, Department and the Town of Marion, then we encourage you to take a moment to tell us about it. Although our employees do not expect to be thanked for everything they do, recognition of exceptional service is always appreciated.

Officers take great pride in being recognized by members of the community and also realize their hard work is appreciated. The employee will be notified of your commendation and a copy will be placed in their employee file.

Please call, mail, or email the Chief of Police to let us know.
